STB Finance Docket No. 35087

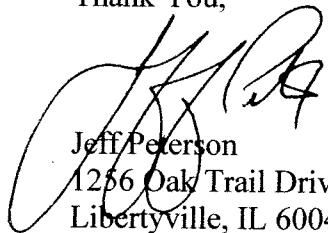

Dear Ms. Johnson-Ball:

We oppose the sale of the EJ&E rail line to Canadian National Railway. As a resident of Libertyville, Illinois, my family and I live within 1 mile of this track. It is very noisy with the current traffic (horns blowing at all hours at the intersections) and the traffic will increase at least four-fold with the acquisition by the Canadian National Railway.

This track also crosses two important roads in Libertyville – St. Mary's Road and Milwaukee Avenue. It would significantly add to the road congestion in the area.

Please stop this sale.

Thank You,

Jeff Peterson
